SHARE THE EXPERIENCE: DRIVE SOUTH AFRICA'S 4X4 REFERRAL PROGRAMME

Loved your trip? Help a friend start theirs with a discount of up to R1,500.

Have you booked 4x4 hire with Drive South Africa? If so, you can now help a friend or family member get a discount on their first trip through the Drive South Africa 4x4 Referral Programme.

It's a simple way to share your experience and help someone else get started with their own self-drive adventure.

WHAT IS THE 4X4 REFERRAL PROGRAMME?

Drive South Africa's 4x4 Referral Programme allows existing customers (Referrers) to pass on a single-use voucher to someone who plans to make a new booking (the Referee).

The voucher amount is based on the value of your own completed booking and can be redeemed by the Referee on their qualifying booking. Importantly, the voucher cannot be used for existing or partially-paid bookings.

This programme is ideal if you know someone who's planning to explore southern Africa and is considering a 4x4 hire.

HOW MUCH ARE VOUCHERS WORTH?

YOUR BOOKING VALUE (ZAR)	THEIR VOUCHER DISCOUNT
R15,000	R450
R25,000	R700
R35,000	R1,000
R45,000	R1,250
R55,000+	R1,500

You don't receive the voucher for your own use – instead, you pass it on to a new customer. If they meet the criteria, they'll be able to apply the voucher to their own new booking.

HOW TO USE THE VOUCHER

FOR THE REFEREE TO REDEEM THE VOUCHER:

- They must make a brand new booking with Drive South Africa.
- Their vehicle booking must be worth at least R15,000.
- The voucher must be submitted to a Drive South Africa consultant at the time of booking.
- The voucher can't be combined with other promotions, discounts or used on a partially paid or confirmed booking.
- Each voucher is valid for 24 months from the date of issue.

Important **Each voucher can only be used once, and it's non-transferable. That means you can't use it for yourself or give it to multiple people – just one customer per voucher.**
